

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended and in light of the following discussion, is respectfully requested.

Applicants thank the Examiner for the Notice of Allowance mailed June 15, 2006. Claims 32-35 are still pending in the present application, Claims 32-35 having been amended. The amendments to Claims 32-35 are self-evident and supported by the specification. The amendments correct an informality discovered during a post allowance review of the application. Applicants respectfully submit that no new matter is added and no new search is required.

Accordingly, in view of the present amendment and the previous discussion, no further issues are believed to be outstanding and the present application is believed to be in condition for formal allowance. An early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
